Special Offerings in June

June 10- Africa University

Three decades ago, when African bishops of The United Methodist Church surveyed the emerging socio-economic and political needs in their countries, they called on the church to invest in higher education in Africa. At the cry of Bishops Arthur Kulah and Emilio J.M. de Carvalho—for “a university for all of Africa”—The United Methodist Church worldwide responded.

Today we're still investing in Zimbabwe's first private university for young men and women from all over Africa. These promising leaders are being equipped to transform their content through dynamic programs that include: agriculture and natural resources, education, health sciences, humanities and social sciences, management and administration and theology. The Institute of Peace, Leadership and Governance offers postgraduate diplomas and master's programs.

By the turn of this century, one-fifth of the world's population will live in Africa. This is why it's so crucial that Africa's greatest needs—sustainable agriculture, disease prevention, ethical leadership and governance, and more—continue to be impacted by Africa University's 4000+ graduates.

The Africa University Fund is equipping the next generation of Africans to lead and transform a beloved continent. When you give, you equip indigenous solution-finders who are tackling some of their continent's most pressing challenges with wisdom, innovation and spiritual maturity. Because of your generosity, The United Methodist Church is making a difference in Africa.

June 17- Food Pantry

New Small Group Study Starting Soon!

Fear of the Other by Will Willimon

Wednesdays in June

7:15 p.m.

Led by Pastor Kyle

Tolerate one another. Wait. Isn't that supposed to be *love* one another? It's one thing to genuinely love people who are more or less the same as we are, but what about those who are not only strangers, but people who live completely different lives? Reliable spiritual guide Will Willimon invites you to look more closely at the gospel's command to love—because to genuinely love those considered to be "Other" may be the hardest thing for people of faith to do. Join us as we discover the distinctly Christian way of engaging the "outsider."

Choir Schedule

Our choir will be going on summer recess. We will be singing on June 3 before going on break. Thank you to all our volunteers for making this a great choir season!
